Manchester Indymedia launched!

Manchester now has its own Independent Media web-site with its own open publishing newswire service.

Reports, photos, audio and video files about news events in Manchester can be uploaded by anyone.

Just go to the web-address below and hit the "Publish" button.

News about the Manchester anti-war movement or any other radical campaign, demonstration, rally etc., can now be reported without the restrictions of the corporate media.

There is also a Liverpool indymedia too:
