

Exciting Career Opportunities in the “Systems” Industry!

Join BAE Systems: *“the leading systems company, innovating for a safer world.”*
With BAE, you can explore exciting career opportunities in the world of the arms trade.
For example:

- **SELL** arms to the repressive governments of Saudi Arabia, Zimbabwe, Indonesia, and Israel!
- **MARKET** expensive weapons systems to the governments of countries that can't afford healthcare for the poor, like South Africa!
- **SUPPLY** the US Department of Defence with the armaments it needs to bomb and occupy Iraq and Afghanistan!
- **NEGOTIATE** to sell arms to embargoed countries (Libya, Iran, Democratic Republic of the Congo)!
- **KEEP** Labour MPs in your pocket to lobby for your arms deals and subsidize your industry more than any other except agriculture!
- **BE** the lead UK contractor for the US “Star Wars” Missile Defence system!
- **MAINTAIN** a 20 million pound slush fund to bribe Saudi royalty for arms contracts!
- **PROMOTE** the supply of weapons to brutal governments and armed forces in civil wars across the world!

BAE SYSTEMS: Helping Indonesia bomb civilians in East Timor since 1984. Helping the Israeli military maintain the occupation. Helping the Zimbabwean government suppress dissent. Helping India and Pakistan keep the Kashmir conflict alive. Helping South Africa spend its resources on fighter jets instead of AIDS medicine. Helping buy Saudi Arabian princes shiny new cars.

Who do you want to help today?

**“Sometimes in this business, you have to leave your conscience at the door” --
Don McLen, Former PR director, BAE Systems**
