

JUNE 30th: Meet the WAR MONGERS!

On June 30th the US/UK Coalition will pretend to hand back power to Iraq. But this will be a puppet regime, hand picked by the US and UK. This will have...

- * NO control over the US/UK forces, they are above the law
- * NO powers to challenge any Coalition decisions
- * NO powers to reverse the wholesale privatisation of Iraq
- * NO chance of doing anything the US/UK don't want it to do

The so-called handover of power is a sham. It is designed to undermine the Iraqi resistance groups and legitimise the theft of Iraq's resources by US big business. The war on Iraq was based on lies and paid for in blood by the Iraqi people and the Coalition foot soldiers.

Come to Filton to visit Bristol's own warmongers at the MOD and producers of killing machines. Bring friends, bikes, banners, noise...

No more business as usual!

Throw a spanner in the works of the war machine

Meet 7:30am at the MOD, Filton Abbey Wood

Bus: 70, 73 from centre. Train: Temple Meads 7:06 and 7:27.

Come prepared for action, use your imagination
