Cambridge Indymedia presents:

7.30pm Sunday 16 October

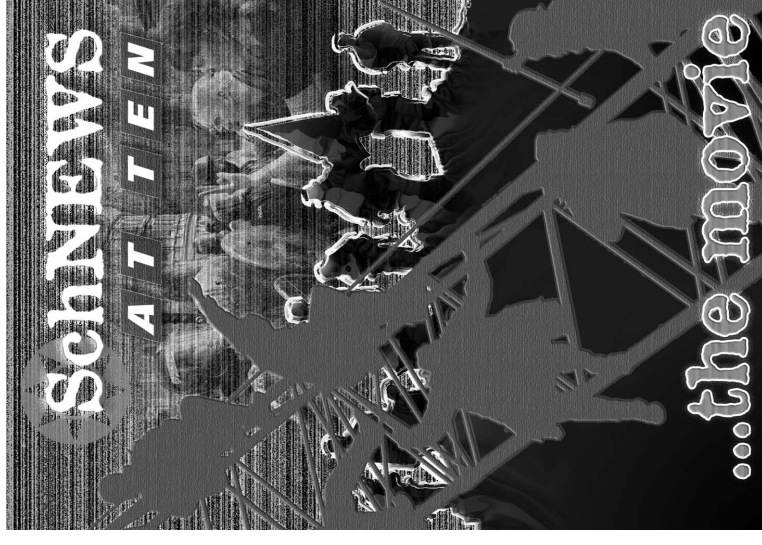

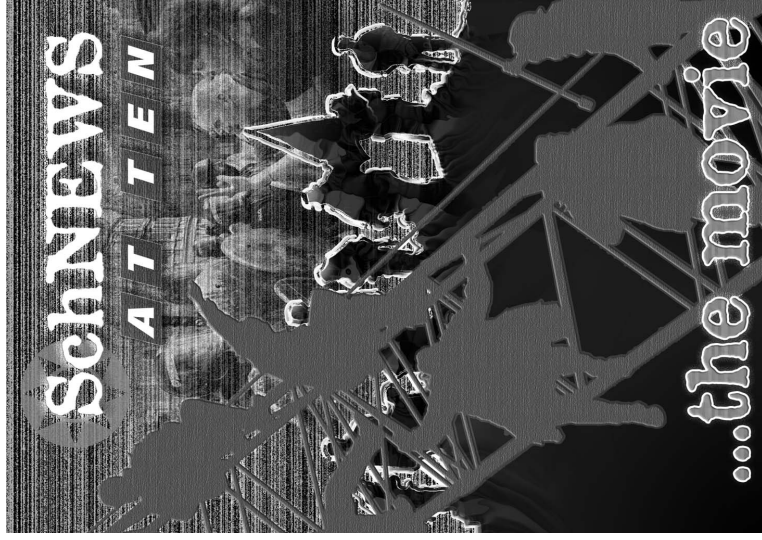

film @ the Geldart, 1 Ainsworth St

Born during the fight against the 1994 Criminal Justice and Public

Order Act, the radical weekly newsheet SchNEWS is now ten years old, and has covered free parties, road protests, squatting, strikes, and the big anti-globalisation protests at Seattle, Genoa and elsewhere. This film, released earlier this year, tells the story of those ten years, minus the ever-present lies of the corporate media.
