ŽIŽEK!

"The Elvis of
cultural theory!"

"Žižek makes
eccentricity
especially
loveable....you
can't help but be
swept away by his
heady enthusiasm!"

Slavoj Žižek has published over 50 books on topics ranging from philosophy and Freudian and Lacanian psychoanalysis, to theology, film, opera, 9/11, and radical politics. He was a candidate for, and nearly won, the Presidency of his native Slovenia in the first democratic elections after the break-up of Yugoslavia in 1990. According to a recent profile in *The New Yorker*, Slovenia has a "reputation disproportionately large for its size due to the work of Slavoj Žižek."
