Re: Hansen, et al v. Bama, et al 93-CV-792

Dear Mr. & Ms. Hansen:

I am writing to ask for your cooperation in a national study of costs and delay in the federal district courts. This study was ordered by Congress as part of the Civil Justice Reform Act of 1990. RAND, independent, non-profit research organization is conducting the study.

We have selected as random a number of civil cases in 28 federal courts to be a part of the study in the area named above to one of them. As a party in this case we would like you to give us your opinion about the way the case was handled, what it cost, and how long it took.

Please take a few minutes to fill out the attached questionnaire and return it in the enclosed postage paid envelope. The questionnaires are mailed directly to RAND and will not be seen by attorneys, a judge, or the federal district court. No case, person, or organization will be identified in our report. Information about your case will be combined with information about other cases and reported in overall and totals. Please do not send this questionnaire to your attorney to fill out because they will be unable to give their opinion.

Your cooperation is important. This study will help Congress and the courts decide whether, and what way, the management of the civil justice system in the United States should be changed.

Thank you for your help.

Yours truly,

*Joseph J. Longobardi*

17 I. FACTUAL BACKGROUND

18 Alvin Hansen has been a target of federal investigators since  
19 approximately the early 1980's, for his reluctance in paying his tax obligations.  
20 In 1982 and 1983, property was seized from defendant. Defendant was  
21 convicted in 1985 for failure to file his income taxes. Since that time, Mr.

22 Hansen has had several contacts with government agents, including the FBI and  
23 IRS, and defendant has initiated several pieces of litigation which have resulted  
24 in defendant obtaining judgments against several entities, including the federal  
25 government.
