

Carnival

against the arms trade

**National Mass Demo against
EDO MBM - the Brighton
bomb factory**

**Wednesday 4th June 2008
Meet at The Level, 12 noon
www.smashedo.org.uk**

SHUT DOWN THE BRIGHTON BOMB MAKERS!

We are on the brink of a major victory!
Closing down **EDO MBM** will send shock
waves through the arms industry. We
want groups from around the country
to unite with our local campaign.
Come to Brighton for our Carnival
Against The Arm Trade!

“Every
bomb that
is dropped,
every bullet
that is fired
in the name
of this War
of Terror has
to be made
somewhere. And
wherever that is,
it can be resisted”

Wear RED!
Bring whistles,
banners,
drums and
be ready to
make some
noise
