THIS EVENT HAS NO ORGANISERS

Make your stand against the vivisection industry and animal abusers with us at the Carnival Against Vivisection at Sequani Labs on Saturday September 6th it starts at 12 noon meeting opposite the Ledbury Train Station on the grass verge. This protest is in solidarity with Sean Kirtley who was imprisoned by the state for supposedly organising protests against Sequani. Even though he has never broken the law himself at Sequani (and the police agree) he was sent to prison under new SOCPA legislation which shatters the right to organise and protest in a free democracy.

If the police state are intent on cracking down on those who organise legal protests then we start to organise without organisers.

An autonomous bloc will be at the march, Wear Green and Black, Bring noise making equipment, Lets make this a day they wont soon forget!!

The need for evidence gatherers is vital at this demonstration.

DIRECT ACTION

We are often being told on demonstration that this isn't the time or place to take action, pick your fights cleverly etc. Well the time is 12 noon, the place is Sequani the rest is up to us. Let this day be a historic event for animals.

ARREST SUPPORT / BUSTCARDS

Bustcards will be available nearer the time on indymedia and at the demonstration meet up they will have details of good solicitors and local contact for pick up from cop shop and a place to stay on release. If you are going on an action make sure you have these numbers somewhere!

CARNIVAL ROUTE

The shortest route back to Sequani labs. Take the A438 all the way back to the grass verge meeting place, then make a right onto **BROMYARD ROAD** (B4214). Section and 14 will no doubt be enforced on the day by rows of West Mercia's finest officers who will be blockading the road to the labs, as this is the carnival route.

GREEN ROUTE

Room for a small protest..

Can't get onto Bromyard Road? Go left instead to the end of **HEREFORD ROAD**, then right under the railway bridge. Head for the power station area where you'll find back access to the labs.

RED ROUTE

Adventure is better than caution..

Not convinced by the green route? Take the right onto **KNAPP LANE** veering left into the woods. Make your way through the fields to the front of the labs.

ABOUT SEQUANI

Sequani Limited are a Contract Research Organisation (CRO) that test pharmaceutical drugs, chemical compounds and medical devices on animals. Tests that are carried out at Sequani include acute toxicity tests, reproduction toxicology tests, carcinogenicity tests, mutagenicity tests and repeat dose toxicology tests. They test products like Anti Dandruff shampoo and Anti Perspirant Deodorants hardly life saving research! More information about Sequani at www.sequani.wordpress.com

HOW TO GET TO LEDBURY

From the M5 come off at Junction 8 onto the M50 take Junction 2 onto the A417 after 4 miles take 2nd exit on roundabout onto A449 then A438 to Ledbury follow signs for the train station.

ANTISPECIESIST ACTION
AGAINST SPECIESISM / AGAINST CAPITALISM / AGAINST THE STATE

JOIN THE RESISTANCE!
