

Meeting organised by Reinvestigate 911

Behind the "War on Terror"

Cynthia McKinney

Member of the US House of Representatives for 12 years and now a global campaigner for many causes including Palestine. Cynthia was targeted for removal from the US Congress after asking what the White House knew about 9/11 and when they knew it. Last year she was snatched by Israel from a ship trying to lift the blockade of Gaza and held illegally for a week.

Dr Nafeez Ahmed

UK based terrorism expert. He has questioned some of the key tenets of Bush's "War on Terror", a posture which has continued in all but name under the new administration. He is the author on *The London Bombings* and *The War on Truth*.

Ian Henshall

Is author of *911 The New Evidence* and a co-ordinator of Reinvestigate 911
