19.30	Dinner

## Saturday 5 February

8.30	Breakfast			
9.30 – 9.45	Morning Meeting			
9.45 – 12.00	Campaigns Round-up followed by discussion about the current role and purpose of Earth First!			
12.00 – 13.00	Lunch			
13.00 – 15.00	Movement security and infiltration			
15.30 – 17.00	<p><b>Movement Building</b></p> <p>With moderate ecological defence becoming legitimised in liberal society, is the time ripe for EF incitement? How do we develop and strengthen the EF movement without becoming watered down? This session will be aiming to discuss ways in which we can share some of the core ideas of the Earth First movement to those who may not have come across them.</p>	<p><b>Action Planning</b></p>	<p><b>Discussion about role and purpose of Summer Gathering</b></p> <p>An open facilitated discussion about what the Summer Gathering is for. How do we use it as place to build, strengthen and solidify Earth First?</p>	<p><b>20 Years of EF! Where from and where to....</b></p> <p>What have been the core aspects and achievements of the EF movement in the UK, and how do they feed into struggles and resistances against ecological destruction which are taking place now? Where do those who are part of EF movement now see the movement heading towards? This discussion will aim to reflect on the past in order to reinvigorate the future.</p>
17.00 – 18.30	<p><b>Rossport</b></p> <p>This session will discuss plans for what might be a critical year in Rossport's ongoing campaign against</p>	<p><b>Agrofuels</b></p> <p>Agrofuels are sold to the public as green, whilst around the world they cause rainforest destruction, abuse</p>	<p><b>Nuclear Power</b></p> <p>What can we do to stop new nuclear power stations in the UK?</p>	<p><b>GM</b></p> <p>Following up from the Stop GM Gathering, this session will provide a space to network and strategise for</p>

	Shell.	of indigenous people, higher food prices and environmental degradation. This workshop will outline what has happened in the campaign against agrofuels in the UK and discuss ideas for the future.		groups and individuals who are interested in continuing the struggle against GM crops in the UK.
19.00	Dinner			
Evening	Open-mic			

### Sunday 6 February

8.30	Breakfast		
10.30 – 12.00	<b>Regional Meetings</b> Space will be provided for regional groups to meet and discuss how they might work together on eco-defence issues in their local area.	<b>AU Collective Meeting</b> Meeting of the Action Update collective to plan for the year ahead.	<b>Summer Gathering Collective Meeting</b> Meeting to plan the 2011 Earth First! Summer Gathering

<p>12.15 – 13.30</p> <p>Campaign workshops</p>	<p>Re – Wilding</p> <p>Info about current re-wilding projects in the UK and how you can get involved</p>	<p>Anti-Coal</p> <p>Session to discuss current anti-coal campaigns and how we might be more effective in resisting coal-fired power in the UK.</p>	<p>Surveillance and Technology</p> <p>Bringing people together who are campaigning against surveillance society to discuss strategies and tactics for resisting the most recent developments in technological surveillance.</p>	<p>Anarcho-Outreach</p> <p>What can we do to widen the understanding of anarchism, rejuvenate anarchist groups and challenge misconceptions around anarchism in our local communities? A few EF!ers in Kendal and Lancaster tried putting on Anarchist Fairs this Autumn – with no books for sale, and a real emphasis on making the event accessible and welcoming with a programme of introductory workshops, plus a room with a few stalls, a cafe, a kid’s space, games and a zines library. We’d like to offer ideas and pass on lessons learnt to other people who might be interested in similar anarchist outreach in their areas, and also to hear about what other people have been doing or want to try.</p>
<p>13.30</p>	<p>Lunch</p>			
<p>14.30</p>	<p>Plenary and Evaluation</p>
