

# STOP THE G8

In June 2013 the G8 plan to meet in the UK. Eight leaders from eight of the most economically powerful nations will discuss how to maintain the status quo in the face of economic collapse and social upheaval.

.....

On the 3rd and 4th of November

there will be an open planning meeting in Nottingham to discuss how to build a movement to resist the G8 and smash the status quo.

Cops and journalists politely requested not to attend.
